### Get off the Road and Get on the Trails!

5 Peaks is Canada's Premiere Trail Running Series offering an exciting atmosphere, a challenging course, a competitive field, and an amazing off-road experience.

### Four Course Options

While the **Sport** course (5-6 km) is perfect for the beginner trail runner, our **Enduro** course (8-15 km), will continue to offer challenging runs, with a few new twists and turns! For those who just can't get enough trail running, the **1/2 Marathon** will meet their needs! \*offered at select locations only, distance may not be an exact 1/2 marathon measurement\* **The Scotiabank Children's Challenge** is open to children 10 and under, offering an official 1 km course.

**Note:**

- Registrants may switch races, or distances at anytime online through the registered racer area. Deadline for changes is the Wednesday at midnight prior to the race. NO race day changes will be allowed.
- The best 4 finishes within a series will be used to score points towards the series title. Racers must participate in a minimum of three 5 Peaks races of the same distance within a series in order to qualify. In the event of a tie, the win will go to the racer with the overall fastest time. The 1/2 marathon distance may not be used in the point's race standings.
